

Singing4peace

Registration and consent form

for performers and participants on video recordings for the production Singing4Peace

name of choir:

address / city:

country:

responsible contact person:

email:

Intended use:

Recording of the peace song on the homepage of the Singing4peace initiative

Publication methods:

- Internet (accessible to anyone at any time worldwide)
- Forwarding to third parties involved in the Singing4Peace initiative

Herewith the above mentioned responsible contact person declares that at the time of the recording of the video for all performers/participants an explicit consent for the processing of data in connection with the recording, according to Art.6 Abs.1 lit.a. i.v.m. Art 9 DSGVO, is available to the above choir.

We point out that the video may not be visible and audible before all conditions of data protection on the part of the above-mentioned recording choir are met.

The use of any personal data for purposes other than those mentioned above is excluded.

No rights (e.g. remuneration) can be derived from the consent to publication.

With this registration, the Singing4peace initiative is permitted to edit, reshape, shorten, synchronize or transfer the recorded material into other production forms, in whole or in part, in compliance with personal rights (copy right).

The above mentioned responsible contact person can make use of the right of repeal without any reason and amend or completely repeal the declaration of consent given. In the event of repeal, recordings will be removed from the respective platform. If the recordings were accessible on the Internet, they will be removed as far as it is in the initiator's ability to do so.
